Beaumont Care Wamuran is a stunning, modern residential aged care community nestled amongst the daily activity of rural strawberry, pineapple, and blueberry farms, providing the perfect home for people who enjoy good old fashioned country hospitality. Staff provide quality, personalised 24/7 care designed to suit each residents' individual needs and choices, including respite services, ageing in place, and a dedicated secure memory support unit for those living with dementia.

Beaumont Care is Australian family owned and operated and provides quality, person-centred care and support services designed to suit a range of individual needs. From residential and respite care to supported living, NDIS and support for the aged, disabled and disadvantaged.

Our caring and highly qualified staff are passionate about ensuring that every resident and participant is treated with respect, dignity, integrity and warmth.

ACCOMMODATION & PAYMENT OPTIONS

Beaumont Care Wamuran has three accommodation types that cater to a range of preferences, including private rooms and rooms for those who wish to live with a loved one or friend - every room has a view. There is a range of payment options for each of the accommodation types, including a one-off, upfront Refundable Accommodation Deposit (RAD), or a Daily Accommodation Payment (DAP) or a combination of the two. The combination payments below are examples only, and you can choose how much of each portion you would like to pay. The below payment options are based on the maximum room prices and do not apply to government-supported residents.

Other fees that may apply

A basic daily fee is also payable to cover the cost of day-to-day services such as meals, cleaning, facilities management and laundry. The basic daily fee is set by the government and is typically up to 85% of the Australian single Age Care Pension. Some residents may also be required to pay a means-tested care fee depending on their financial circumstances. More information on aged care home costs and fees can be found at www.myagedcare.gov.au.

- Home-cooked meals served in our dining rooms with your favourite beverage, enjoying conversation and companionship.
- Relax in one of our quiet or leisure areas.
- Be part of our facility pets in care, petting and companionship.

Holistic care

Our care and support is provided by a team of qualified health care professionals, lifestyle, and hospitality staff 24 hours a day, 7 days a week, and is tailored to suit the individual needs and choices of each resident. A secure memory unit is available to provide specialised care to those living with dementia. At Beaumont Care Wamuran, we empower our residents by:

- Helping to maintain connections with the community - the home is an integral part of the local community, and we encourage residents to participate in community activities.
- Providing support and encouragement to enable ongoing friendships and existing community connections.
- Assisting with escorted holidays for those who embrace travel, road, rail and sea.
- Providing emotional support and companionship and assistance with settling in and making friends.
- Supporting connection to family by celebrating special occasions and encouraging your family and friends to participate in activities.
- Giving emotional support and companionship to residents and their loved ones by staff and volunteers who understand each resident's needs and choices and are here for you.
- Supporting volunteers who bring joy, variety and understanding, including external and internal church services that help residents maintain their faith community.
- Offering a rural calm, and a quiet location with relaxing views
- Encouraging friends, family and community to meet at our café with a choice of lounge areas, library, event and craft rooms.
- Providing respite services, so you and your family have time to get to know and trust us.
