A MESSAGE FROM LINDA BEAUMONT

The decision to enter a Residential Care Home is a big one, and not just for those who will become accustomed to sharing space with others, enjoying dining experiences, outings and activities, but also for those who are less accustomed to sharing space with others, including those who may gravitate to the quiet space of their room, or to peaceful zones within the facility. This change for some will be an easy transition, whilst for others it may take a little time to adjust. Residential aged care is provided for those who have a need of care in a residential setting, and this aspect of the journey – the delivery of care to residents – is where our professional, caring staff come into their own. Interactions between residents and personnel must be respectful. There are processes in place at all aged care homes for meeting individual preferences and the choice of residents and families, while professional staff working in the industry, some for many years, continue daily to provide their expertise at the right moment.

To residents, families and Beaumont Care personnel working together – thank you for all you do. To residents who make the home their own, continue to enjoy. We appreciate your comments and participation in every aspect of the home.

Until next time,

Linda

FROM OUR SERVICE MANAGER

Hello for the Month of September!

I can't believe how fast this year is going, it will be Christmas soon.

Well, we have finally said good-bye to this year's winter, and we are now in Spring – bring on some nice warm weather. Just a reminder to everyone do not forget to use sunscreen if you are enjoying the sunshine outside.

We have celebrated Aged Care Employee Day in August and appreciate our staff for their hard work.

Wearing a mask is still mandatory in our facility, and we are still doing Rapid Antigen Testing as a precautionary measure, please follow the directions posted at the facility to help ensure everyone's safety.

I highly encourage everyone to provide us any feedback / suggestions and be a part of continuous improvement in our facility.

Stay healthy and safe,

Sukhjiwan

September is the ninth month of the year in the Julian and Gregorian calendars, and the fourth of five months to have a length of fewer than 31 days. September (from Latin septem, "seven") was originally the seventh of ten months in the oldest known Roman calendar, the calendar of Romulus c. 750 BC. After the calendar reform that added January and February to the beginning of the year, September became the ninth month but retained its name.

September 1, 1939 - At 5.30 a.m., Hitler's armies invaded Poland starting World War II in Europe.

September 2, 1666 - The Great Fire of London began in a bakery in Pudding Lane near the Tower. Over the next three days more than 13,000 houses were destroyed, although only six lives were believed lost.

September 2, 1870 - Napoleon III surrendered to the Prussians during the Battle of Sedan, resulting in the fall of the Second French Empire.

September 5-6, 1972 - Eleven members of the Israeli Olympic Team were killed during an attack on the Olympic Village in Munich by members of the Black September faction of the Palestinian Liberation Army. September 5, 1997 - Mother Teresa died in Calcutta at age 87, after a life of good works spent aiding the sick and poor in India through her Missionaries of Charity order.

September 7, 1986 - Bishop Desmond Tutu became Archbishop of Cape Town, South Africa, the first black head of South Africa's Anglicans.

September 9, 1948 - Following the withdrawal of Soviet forces from North Korea, the Democratic People's Republic of Korea was proclaimed with Pyongyang as its capital.
