BEAUMONT CARE

Warm-Hearted Care, Your Way

A MESSAGE FROM LINDA BEAUMONT

The recent funeral service of our dear volunteer of almost 9 years, the irrepressible Arthur Ashley Pemberton, who divided his time between our Kippa-Ring and Clontarf homes, fully enabled by his dear sister Jillian, has given pause for me to reflect on how much joy and pleasure Arthur brought to residents of Beaumont Care, and how much we, residents and staff appreciate the commitment of volunteers across all Beaumont Care services.

Arthur was loved by all, bringing news, and letting us into his life, we looked forward to his lively nature full of cheer and certainly never dull! Arthur and Jillian's contribution to the residents and staff of Beaumont Care has been immeasurable, two days a week over eight plus years. It is our turn now to envelop Jillian in our love as she is and always will be so valued for her own caring ways.

To all volunteers who give your time to us, to members of community organisations, various church and support groups, musicians, entertainers, activity inspired assistants, including the many family members and friends who all play such an important part of the daily living experience of residents at Beaumont Care - a huge debt of gratitude is extended to you from the Board, management, and personnel. We welcome and appreciate every moment.

General Manager Elise Wardell is out and about in all the services, she is bringing her expertise and skills to the team, taking every opportunity to meet daily, residents and staff. Elise, Board director Michael Goss, with the leadership team, look forward to a spectacular year and for us, it is all about residents and family with our personnel, and the future comfort and security of all. Please join with us to deliver the very best in aged care living.

Til next time...

Linda

FROM THE SERVICE MANAGER

As always, keeping our family and your loved ones safe is our top priority and whilst we appreciate the sacrifices our residents and their families make during any COVID restrictions we may experience, it is vitally important that we continue to follow protocols from the Qld Government for the aged care sector and Beaumont Care's current policies and procedures - which includes donning an N95/P2 mask whilst onsite and RAT testing on every entry.

The Lifestyle and Leisure team have been busily providing extra activities for residents which has included celebrating Australia Day, a holiday which we all love. The added Lifestyle shift covering the MSU has proved very successful and has made a significant difference to the residents who reside in the Unit.

Just a quick reminder to remain vigilant with social distancing, maintaining a high level of hand hygiene and remember - please stay away if you feel unwell.

In the meantime, myself and the clinical team are here to provide you with assistance, support and comfort and we thank you sincerely for your continued contributions.

Please don't hesitate to call me with any concerns or just to have a chat,

Karen

SYMBOLS OF FEBRUARY

- Birth flowers are the violet, the common primrose, and the Iris
- February's birthstone is the amethyst.
- The zodiac signs for the month of February are Aquarius (until February 20) and Pisces (February 20 onwards).

HISTORY

February is the second month of the year in the Julian and Gregorian calendars. The month has 28 days in common years or 29 in leap years, with the 29th day being called the leap day. It is the first of five months to have fewer than 31 days (the other four being April, June, September, and November) and the only one to have fewer than 30 days.

February 1, 2003 - Sixteen minutes before it was scheduled to land, the Space Shuttle Columbia broke apart in flight over west Texas, killing all seven crew members. The accident may have resulted from damage caused during liftoff when a piece of insulating foam from the external fuel tank broke off, piercing a hole in the shuttle's left wing that allowed hot gases to penetrate the wing upon re-entry into the Earth's atmosphere. This was the second space shuttle lost in flight. In January 1986, Challenger exploded during liftoff.

February 4 - Birthday - Aviation pioneer Charles Lindbergh (1902-1974) was born in Detroit, Michigan. He made the first non-stop solo flight from New York to Paris, May 20-21, 1927.

February 6, 1952 - King George VI of England died. Upon his death, his daughter Princess Elizabeth became Queen Elizabeth II, Queen of the United Kingdom of Great Britain and Northern Ireland. Her actual coronation took place on June 2, 1953.

February 7 - Birthday - British novelist Charles Dickens (1812-1870) was born in Portsmouth, England. He examined social inequalities through his works including; David Copperfield, Oliver Twist, and Nicholas Nickleby. In 1843, he wrote A Christmas Carol in just a few weeks, an enormously popular work even today.

February 11, 1929 - Italian dictator Benito Mussolini granted political independence to Vatican City and recognized the sovereignty of the Pope (Holy See) over the area, measuring about 110 acres.

February 14 - Celebrated as (Saint) Valentine's Day around the world, now one of the most widely observed unofficial holidays in which romantic greeting cards and gifts are exchanged.

February 14, 1929 - The St. Valentine's Day massacre occurred in Chicago as seven members of the Bugs Moran gang were gunned down by five of Al Capone's mobsters posing as police.

February 15 - Birthday - Astronomer and physicist Galileo Galilei (1564-1642) was born in Pisa, Italy. He was the first astronomer to use a telescope and advanced the theory that the sun, not the earth, was the center of the solar system.

February 21, 1965 - Former Black Muslim leader Malcolm X (1925-1965) was shot and killed while delivering a speech in a ballroom in New York City.

February 22 - Birthday - George Washington (1732-1799) was born in Westmoreland County, Virginia. He served as commander of the Continental Army during the American Revolution and became the first U.S. President.

February 24, 1582 - Pope Gregory XIII corrected mistakes on the Julian calendar by dropping 10 days and directing that the day after October 4, 1582 would be October 15th. The Gregorian, or New Style calendar, was then adopted by Catholic countries, followed gradually by Protestant and other nations.

February 27, 1991 - In Desert Storm, the 100-hour ground war ended as Allied troops entered Kuwait just four days after launching their offensive against Saddam Hussein's Iraqi forces.

February 28, 1994 - NATO conducted its first combat action in its 45 year history as four Bosnian Serb jets were shot down by American fighters in a no-fly zone.
