BEAUMONT CARE

Warm-Hearted Care, Your Way

A MESSAGE FROM ELISE WARDELL

I have been driven by the excitement of business for so many years, but I am now starting to understand what fortunate others enjoy when we take special time out for ourselves and our loved ones. I am relishing my 'Linda time', a rare and guilty pleasure for me!

From here on, Beaumont Care's Director, my friend, lawyer, and colleague of many faithful years, Michael Goss, has agreed to my request that he head up the company's governance, reinforced and supported by our talented Chief Executive, Elise Wardell, and her management team who are making and planning many exciting changes. These dedicated people are well known to many of you, our residents and caring staff. We share a bright company future full of promise, safety, determination and perhaps in time – growth. These are set in stone for all to see.

My personal mantra of "I'll never retire" was possibly misguided – "Did I really say that out loud?"; I am sincerely thrilled to report to you all - taking time out for this health moment has been just the ticket for me, reflecting upon a spectacularly fulfilling life, including with you all – my dear personnel who drive Beaumont Care forward every day, our beautiful residents and their families.

Please do continue extending genuine warmth and every courtesy to the people who assist you daily, making your choice of Beaumont Care as your home or workplace ring true and meaningful for you with joy. Michael, Elise, and my wonderful team - alas for you....it's back to the grindstone – there is much to be done!

Lots of love, *Linda*

FROM OUR SERVICE MANAGER

Hello everyone for the month of May,

I hope everyone is well and enjoyed their Easter holidays. Our lovely residents have enjoyed a visit from the Easter bunny, all loving a huge cuddle and chocolate Easter eggs.

For ANZAC day, our residents attended an ANZAC day service at the facility, which was also attended by Kippa-Ring primary school children.

A reminder to all, that the flu season is fast approaching. I would like to encourage all staff, residents, and families to have their flu shots. Currently, we are collecting consent forms for our residents for their flu vaccination, if you have not completed and returned one yet, please send us flu vaccination consent form asap.

If you are experiencing flu or flu like symptom, please do not enter the facility and get it checked by your GP as soon as possible. We are continuing performing Rapid Antigen Testing as a precautionary measure to ensure everyone's safety so, please see reception before visiting any residents.

Stay Healthy, Stay Safe

Thirty six of the 97 passengers and crew were killed. The inferno was caught on film and also witnessed by a commentator who broke down amid the emotional impact and exclaimed, "Oh, the humanity!" The accident effectively ended commercial airship traffic.

May 7, 1945 - In a small red brick schoolhouse in Reims, Germany, General Alfred Jodl signed the unconditional surrender of all German fighting forces thus ending World War II in Europe. Russian, American, British and French ranking officers observed the signing of the document which became effective at one minute past midnight on May 9th. Jodl was then ushered in to see Supreme Allied Commander, General Dwight D. Eisenhower, who curtly asked Jodl if he fully understood the document. Eisenhower then informed Jodl that he would be held personally responsible for any deviation from the terms of the surrender.
