Warm-Hearted Care, Your Way

A MESSAGE FROM ELISE WARDELL

Dear Residents and Families,

I hope this newsletter finds you all in good health and high spirits as we enter the beautiful month of June.

I would like to express my deepest gratitude for your trust in our facilities and dedicated team. We understand that selecting a residential aged care facility is an important decision, and we are honoured that you have chosen us to be a part of your lives. We remain committed to providing all residents with the highest quality of care and support.

Our primary goal is to ensure that each resident feels valued, safe, and content in their home. We continually strive to foster a warm, nurturing environment that promotes independence, dignity, and well-being. Our team of compassionate caregivers and healthcare professionals work tirelessly to meet the unique needs of every individual under our care.

Over the past few months, we have been focusing on several exciting initiatives and enhancements to enrich your experience at our facility. We have expanded our activities and events calendar to offer a broader range of recreational and social programs tailored to your interests and preferences. These activities provide entertainment and stimulation, encourage a sense of community, and foster meaningful relationships among our residents. We look forward to continuing the development and expansion of these services over the coming months.

Furthermore, we understand the importance of open communication and its role in fostering trust and transparency. To facilitate this, we encourage regular family conferences where you can actively participate in the care planning process of your loved ones. These conferences offer a platform for meaningful discussions, sharing updates, and addressing concerns or questions. We value your input and partnership in the care journey.

As we look to the future, we remain committed to ongoing improvement. Your feedback and suggestions are invaluable, and we encourage you to share your thoughts with our team. Together, we can continue to enhance the quality of care and support we provide, creating a vibrant and fulfilling community for all.

Thank you for being a part of our extended family. Your trust and confidence mean the world to us.

With warmest regards,

Elise

FROM OUR SERVICE MANAGER

Hello Everyone,

May was a wonderful month in which we celebrated Mother's Day and International Nurse's Day.

Residents enjoyed a Mother's Day high tea celebration and our facility arranged a morning tea for staff on Nurse's Day in appreciation of their hard work.

Well, we are officially in the start of winter so please make sure you have enough warm clothes for the winter season; however, if you do require more, please see Debbie in reception or Shona and we will organise for you.

Please remember, if any Resident/family members bring in food to place in fridges, please inform the staff as these items need to be labelled with the resident's name. Please ask staff who can assist you in completing the required form to document expiry date etc.

Again, would like to remind everyone handwashing and sanitising is the first step to avoid getting sick and spreading germs to others.

Stay Healthy, Stay Safe

Following an unstable childhood spent in foster homes and orphanages, she landed a job as a photographer's model which led to a movie career. She later married baseball legend Joe DiMaggio. Beneath her glamorous movie star looks she was fragile and insecure and eventually succumbed to the pressures of Hollywood life. She died in Los Angeles from an overdose of sleeping pills on August 5, 1962. Best known for *Gentlemen Prefer Blondes* (1953), *The Seven Year Itch* (1955), *Some Like It Hot* (1959).

June 4, 1944 - During World War II in Europe, Rome was liberated by the U.S. 5th Army, led by General Mark Clark. June 5, 1783 - The first sustained flight occurred as a hot-air balloon was launched at Annonay, France, by brothers Joseph and Jacques Montgolfier. Their 33-foot-diameter globe aerostatique ascended about 6,000 feet. In September, they repeated the experiment for King Louis XVI, using a sheep, rooster and duck as the balloon's passengers.

Thus ended 23 years of warfare between France and the other powers of Europe. Napoleon was then sent into exile on the island of St. Helena off the coast of Africa. On May 5, 1821, the former vain-glorious Emperor died alone on the tiny island, abandoned by everyone.
