BEAUMONT CARE

Warm-Hearted Care, Your Way

A MESSAGE FROM ELISE WARDELL

Dear Residents and Families,

I am honoured to have been appointed as the new CEO of Beaumont Care. I have been with the organisation for just over six months and have been inspired by the fantastic work of our staff. I have learned of their resilience during COVID and how they work together to manage outbreaks while providing a nurturing home environment.

I have seen photos and shared memories of how they banded together during the floods in Queensland not so long ago. I have witnessed firsthand how our Service Managers and Clinical Nurses, with their teams, create a sense of family.

I am committed to continuing the great work of our staff to support them as we move into a new and exciting phase of Beaumont Care, focusing on renewal, continuous improvement and growth. We can continue to provide high-quality care while creating a supportive and nurturing environment.

As we move forward, I would like to take this opportunity to thank our staff for their hard work and dedication. Without them, we would not be able to provide the level of care and services we do.

Over the coming months, we will continue working on our Leisure & Lifestyle program and other service improvement initiatives. I am also excited to learn more about our residents' remarkable stories and lives. Getting to know our residents personally is essential to nurturing our shared family environment.

I look forward to learning more about our residents and the many pets as I spend more time at each location.

With warmest regards,

Elise
