BEAUMONT CARE

Warm-Hearted Care, Your Way

A WORD FROM ELISE WARDELL

Last month, we bid farewell to Linda Beaumont at a memorial service at the Uniting Church at Bribe Island.

It was an amazing celebration and recognition of the achievements of Linda in her life and the many lives she impacted with her generosity and support. This was reinforced by the many people who attended, including many Beaumont Care staff – which Linda would have been proud of.

Thank you for your letters and expressions of heartfelt condolences over the past month. It has comforted the Beaumont Care Team and Linda's family to receive messages describing what Linda meant to others.

As we look to the future, the team at Beaumont Care are focused on continuing Linda's legacy through the care and support of Residents and Care Recipients. I would like to express my deepest gratitude for your trust in our facilities and dedicated team; we are honoured you have chosen us to be part of your lives and are committed to continuing Linda's vision and journey.

Over the coming months, we remain focused on improving each facility's leisure and lifestyle activities and food experiences. The communication and feedback from residents and families have been instrumental in assisting with enhancing these experiences. We are getting closer to making more specific announcements of exciting improvements soon.

Your feedback and suggestions are invaluable; we encourage you to continue to share your thoughts with our team so we can continue to enhance the community at Beaumont Care.

Together, we can continue to enhance the quality of care and support, creating a vibrant, fulfilling community for all.

Elise

October is the tenth month of the year in the Julian and Gregorian calendars and the sixth of seven months to have a length of 31 days. The eighth month in the old calendar of Romulus c. 750 BC, October retained its name (from the Latin and Greek *ôctô* meaning "eight") after January and February were inserted into the calendar that had originally been created by the Romans.

October 16, 1793 - Queen Marie Antoinette was beheaded during the Reign of Terror following the French Revolution. She was the wife of King Louis XVI and had become the symbol of the people's hatred for the old regime due to her extravagance and frivolity. According to legend, she responded, "Let them eat cake," when told poor people had no bread.

October 16, 1854 - Birthday - Irish poet and playwright Oscar Wilde (1854-1900) was born in Dublin, Ireland. Best known for his comedies including; *The Importance of Being Earnest*.
