BEAUMONT CARE

Warm-Hearted Care, Your Way

A WORD FROM ELISE WARDELL

It is with sadness I share with you the following update from, Michael Goss, Director at Beaumont Care.

Linda June Beaumont

I am so very sorry to share the news with you that Linda Beaumont, our courageous owner and tireless spiritual cheerleader, died early Wednesday evening, ending a tremendously brave and typically good-humoured battle with cancer.

Within her final hours Linda shared time talking and laughing with her beautiful sister and brother – Robyn and John, with her unfailing gratitude and characteristic optimism for all things intact to the end.

It would be natural that you will be asking – “What about Beaumont Care?” I can assure you, that Beaumont Care and Linda’s legacy are stronger today than at any time in recent years. In common with much of the aged care sector, Beaumont Care has experienced challenges before and during Covid. But Linda was thrilled to hear the details of a report I received just on Monday, which tells a positive and improving story which will underpin a strengthening business into the future.

I join with Linda’s siblings, Robyn and John and our CEO Elise in assuring you all that Beaumont Care is shaping up with only good news – a positive, forward-looking position and a refreshed and energised leadership team to continue to enhance the services and continue the development of Linda’s legacy.

Linda passed away knowing that arrangements she recently put in place have assured Beaumont Care’s future is secure – carried on now by all of us, including members of her family, for the protection and care of our residents and care recipients.

Look after yourselves and each other, – and please honour Linda by sharing your stories about the special place she has in all our memories and hearts.

*Michael Goss
Director*

Linda’s family will celebrate a Memorial Service for her at the Bribie Island Uniting Church at 10.00 am on Friday, 15 September. In lieu of flowers, Linda expressed a preference to donate to your favourite charity or the Bribie Island Uniting Church.

Michael and I look forward to speaking with you over the coming weeks and welcome your stories and any questions you may have. In this time of sadness, we remain heartened by and thank Linda for her vision and commitment to the communities served by Beaumont Care.

CEO

As the new Clinical Nurses' we have hit the ground running and appreciate your support whilst we integrate ourselves into the new role.

You may have already seen us around, as we have both been working at Beaumont, as Registered Nurses' for almost 3 years now! The zodiac signs for the month of September are Virgo (until September 22) and Libra (September 23 onwards).

September is the ninth month of the year in the Julian and Gregorian calendars, and the fourth of five months to have a length of fewer than 31 days. September (from Latin *septem*, "seven") was originally the seventh of ten months in the oldest known Roman calendar, the calendar of Romulus c. 750 BC. After the calendar reform that added January and February to the beginning of the year, September became the ninth month but retained its name.

September 1, 1939 – At 5.30 a.m., Hitler's armies invaded Poland starting World War II in Europe.

September 2, 1666 – The Great Fire of London began in a bakery in Pudding Lane near the Tower. Over the next three days more than 13,000 houses were destroyed, although only six lives were believed lost.

September 2, 1870 – Napoleon III surrendered to the Prussians during the Battle of Sedan, resulting in the fall of the Second French Empire.

September 5–6, 1972 – Eleven members of the Israeli Olympic Team were killed during an attack on the Olympic Village in Munich by members of the Black September faction of the Palestinian Liberation Army. Israeli jets then bombed Palestinian positions in Lebanon and Syria in retaliation on September 8, 1972.

September 18, 1905 – Birthday – Movie actress Greta Garbo (1905–1990) was born in Stockholm, Sweden (as Greta Lovisa Gustafsson). She retired and became a recluse after making 27 films, spanning the silent era through the beginning of sound movies.

September 19, 1893 – New Zealand became the first country to grant women the right to vote.

September 20, 1973 – The much-hyped "Battle of the Sexes" took place in the Houston Astrodome as tennis player and women's rights activist, Billie Jean King, defeated self-styled male chauvinist Bobby Riggs in three straight sets.
