BEAUMONT CARE

Warm-Hearted Care, Your Way

Announcement

Michael Goss – Director/Chairperson

On behalf of the Board, I am pleased to announce that Dr Marion Tower and Mr David Waters have joined the Board of Beaumont Care in February 2024. Their extensive experience and commitment to healthcare excellence make them valuable additions to our team as we strengthen the organisation and focus on improving the services we provide Residents and their families.

David Waters

David Waters is a chartered accountant with over 30 years of experience working with people and numbers. As a seasoned professional with a robust career at NAB, ANZ and KPMG, David has a deep understanding of finance and a commitment to client success working with customers across most industries, including aged care. Most recently, David provides assistance to the Department of Employment and Workplace Relations, where he undertakes commercial assessments of litigation funding proposals. His ability to simplify complex financial concepts and assist owners and management with developing strategies to improve performance makes him a great fit as a Director of Beaumont Care.

Dr. Marion Tower

Dr Marion Tower is a registered nurse and an academic and is currently an Associate Professor at Griffith University School of Nursing and Midwifery. She is an Adjunct Associate Professor at the University of Queensland's (UQ) School of Nursing, Midwifery and Social Work, where she held the role of Head of Nursing. Marion is a graduate of the AICD and a Senior Fellow of the Higher Education Academy.

She has a PhD from Griffith University, which focused on women's health and healthcare needs resulting from domestic violence, and a Master of Nursing (Women's Health) from Queensland University of Technology. Her nursing Honours degree at ACU (Sydney) focused on quality of care indicators in residential aged care for people with dementia.

She has a strong interest in ensuring current and future health professionals deliver contemporary, safe, and high-quality person-centred care. Marion researches and publishes in this area. Marion has also been a long-standing board director for Metro South Health, and she chairs the Safety and Quality Committee. With extensive experience in curriculum design and research, Marion continues to shape the future of nursing workforce development. We are delighted to have Marion's skills and standing in health care as a Board Director of Beaumont Care.

The Board of a residential aged care provider plays a pivotal role in shaping residents' quality of care and services. It is crucial for residents and their families because it directly influences policies, management practices, and the overall direction of the care facility. A dedicated and skilled board ensures that residents' needs and preferences are prioritised, leading to a higher standard of living and peace of mind for families.

The new Board of Beaumont Care is getting straight to work to lead the organisation through the New Aged Care Act and Standards transition from July 2024.

We look forward to working with the Executive Leadership Team led by CEO Elise Wardell to continue improving our services and continue the legacy of our founder, Linda Beaumont, to provide a warm-hearted environment that puts residents and families at the centre of the care and support.

The Board aims to be visible within the organisation and looks forward to meeting as many residents and families as possible over the coming months.

Regards,
Michael Goss
Director/Chairperson

FROM THE SERVICE MANAGER

Hello residents and families!

Thank you to all our visitors and representatives for their patience during the clean up of the trees around the front car park, and in conjunction with the Scenic Rim Council the front car park has now reopened.

Just a friendly reminder that we are now heading into the cooler months we would ask all families and visitors to be mindful of visiting Roslyn Lodge if you have any colds and or flu symptoms.

During your next visit it would be appreciated if you could check and make sure your family member has plenty of warm clothes and pj's. Please don't forget to see Vanessa in admin to order clothing labels before putting them in the resident's room.

I would like to let you know that you will see some changes at our front Reception area, I would like to introduce Vanessa who will be taking over from Louise at the Admin desk. Louise will now be in the Lifestyle role while Mel is off on Maternity Leave.

When you are next in, please introduce yourself to Vanessa and make her feel welcome. My door is always open if you have any queries or concerns. Feedback forms are also located in the main foyer area, or online through the Beaumont Care website. On behalf of the team here at Beaumont Care Mount Tamborine, I would like to thank you all for your ongoing support.

THANKS, *Gen*

During April, we will be holding our ANZAC Day service, and before the service, the resident will be making their own Poppies.

LIFE AT BEAUMONT CARE

Harmony Day – Food Tasting from around the World

Residents were given a sample of various food and drinks to try and guess based on the smell, texture, and taste, what country that came from. It was surprisingly tricky to identify which country just based on the packaging and taste.
