BEAUMONT CARE

Warm-Hearted Care, Your Way

FROM THE SERVICE MANAGER

To our residents, family and friends – welcome to July!

Winter is definitely here. Now is a good time to ensure residents have a good supply of winter clothing or a restock of their wardrobes. Additional clothing labels are available for any new clothing items purchased for residents, so please let admin staff know if you are bringing in new warmer items for residents.

We ask that you are very aware when coming to visit of cold or flu symptoms. It is so important we ensure residents don't pick up any colds or flu so if you have any signs of these could you reschedule a visit or an outing to keep them safe.

With the start of the new financial year, please contact administration to ensure that details (contact numbers / mailing address /email address) are accurate. This process, although tedious, populates in individual residents' profiles and enhances the communication between the facility and resident representatives. Contact information also ensures that our mailing and emailing databases remain accurate.

All residents and their representatives' input is an integral part of the running of the facility, please feel welcome to provide your thoughts / suggestions / feedback at any time as my door is always open.

I am looking forward to the rest of the year ahead and the ideas we have coming to fruition. As always, your support continues to be highly regarded.

Take care, always,

Karen

FROM THE CLINICAL TEAM

- Maintaining good hand hygiene
- Maintain social distancing in crowded areas
- Stay warm and dry
- Keep up your healthy fluids
- Please stay at home if you are unwell
- If in doubt, please wear a mask

If you have any questions or feedback, please come and see us. As always the clinical team are here to provide you with assistance, support and comfort. Please don't hesitate to call on us at any time.

LIFE AT BEAUMONT CARE

Children from Kids Caper visited us again this month. The morning included balloon games, colouring corner, lots of bubbles, laughter and smiles along with biscuit decorating. Residents and children enjoyed decorating and consuming their biscuits for morning tea. The children finished the morning with singing us a couple of songs before they left. We can't wait for their next visit.

LIFE AT BEAUMONT CARE

World Ocean Day was acknowledged with high tea where the residents enjoyed an assortment of tasty nibbles to go along with their cups of tea and coffee. All decorations, table centre pieces, wall and ceiling craft were made by our residents for the day. Lots of conversation was had relating to the decorations on the tables and around the room.
