BEAUMONT CARE

Warm-Hearted Care, Your Way

FROM THE SERVICE MANAGER

Hello residents and families!

September has been a busy month for us up here on the Mountain. We have said goodbye to a few of our very special Residents and welcomed new Residents.

Our facility takes great pride in announcing that we passed Accreditation with flying colours and I would personally like to thank all of the Residents, their families and staff who helped make this possible. Without the support of the Staff, Residents and their family, friends and wider community Roslyn Lodge wouldn't be the wonderful place it is.

THANKS, *Gen*

SYMBOLS OF OCTOBER

October is the tenth month of the year in the Julian and Gregorian calendars and the sixth of seven months to have a length of 31 days. The eighth month in the old calendar of Romulus c. 750 BC, October retained its name (from the Latin and Greek *ôctō* meaning "eight") after January and February were inserted into the calendar that had originally been created by the Romans.

October 1, 1908 - Henry Ford's Model T, a "universal car" designed for the masses, went on sale for the first time.

October 3, 1929 - Yugoslavia became the official name of the Kingdom of Serbs, Croats and Slovenes.

October 8, 1871 - The Great Fire of Chicago erupted. According to legend, it started when Mrs. O'Leary's cow kicked over a lantern in her barn on DeKoven Street. Over 300 persons were killed and 90,000 were left homeless as the fire levelled 3.5 square miles, destroying 17,450 buildings. Financial losses totalled over \$200 million.

October 9, 1940 - Birthday - John Lennon (1940-1980) was born in Liverpool, England. He was a member of The Beatles, an influential rock group which captivated audiences first in England and Germany, and later in America and throughout the world. He was murdered in New York City on December 8, 1980.

October 12, 1492 - After a 33-day voyage, Christopher Columbus made his first landfall in the New World in the Bahamas. He named the first land sighted as El Salvador, claiming it in the name of the Spanish Crown. Columbus was seeking a western sea route from Europe to Asia and believed he had found an island of the Indies.

October 13, 1884 - Greenwich was established as the universal time from which standard times throughout the world are calculated.

October 15, 1815 - Napoleon Bonaparte arrived on the Island of St. Helena beginning a British-imposed exile following his defeat at the Battle of Waterloo.

October 16, 1793 - Queen Marie Antoinette was beheaded during the Reign of Terror following the French Revolution. She was the wife of King Louis XVI and had become the symbol of the people's hatred for the old regime due to her extravagance and frivolity. According to legend, she responded, "Let them eat cake," when told poor people had no bread.

October 16, 1854 - Birthday - Irish poet and playwright Oscar Wilde (1854-1900) was born in Dublin, Ireland. Best known for his comedies including; *The Importance of Being Earnest*. And his novel *The Picture of Dorian Gray* in which he wrote, "There is only one thing in the world worse than being talked about and that is not being talked about."

He was paroled in 1939, suffering from syphilis. He retired to his mansion in Miami Beach where he died in 1947.

October 25, 1881 - Birthday - Artist Pablo Picasso (1881-1973) was born in Malaga, Spain. He was an experimental painter and also became a fine sculptor, engraver and ceramist.

October 31st - Halloween or All Hallow's Eve, an ancient celebration combining the Christian festival of All Saints with Pagan autumn festivals.
