FROM THE SERVICE MANAGER

Hello Everyone,

I hope you're all keeping warm and well during this chilly winter season!

I'm absolutely delighted to see how much our residents and staff are enjoying the newly renovated garden space. It's heartwarming to see so many of you making the most of it—whether it's for a sunny lunch outdoors or outdoor concerts. This area has quickly become a favourite spot for everyone!

We're also excited to introduce a new little friend of the facility—Kyden, the grandson of Shelly Dean (Staff Member). Kyden visits us every Wednesday morning and enjoys breakfast with our residents. His presence brings a lot of joy, and our residents look forward to his weekly visits with great excitement. Building on this intergenerational connection, we've now partnered with a local childcare centre! Our residents will be visiting the centre once a month to spend time with the children, which is already proving to be an enriching experience for all involved.

A quick reminder—if you're still interested in joining our Consumer Advisory Committee, please reach out to Shona, our Lifestyle Officer, to complete the necessary paperwork. Applications will close on 15th July 2025. Additionally, we'd like to inform you that the implementation of the Strengthened Aged Care Standards has been postponed and will now come into effect on 1st November 2025.

Lastly, we're excited to announce a new improvement in how we gather your feedback! Beaumont Care has introduced a QR code system—located in the front foyer—making it easier and quicker than ever to share your thoughts and suggestions.

That's all for now—thank you for being a part of our wonderful community! Stay warm and take care,

Sukhji
