FROM THE SERVICE MANAGER

Hello families!

As the cool winter weather sets in, I'd like to remind all families and residents to check to make sure that wardrobes are stocked with appropriate warm clothing, especially for our residents who like to go on outings. We have plenty of blankets available for residents who feel the chill. Please ask your care staff at any time if you would like additional blankets. We also have climate control in all bedrooms, so if you would like assistance with setting the temperature of your air conditioners to a more suitable, comfortable temperature, please also let your care staff know.

We have recently completed the refurbishments of all of our hand washing stations around the facility. These stations are available for everybody to use, to ensure we maintain a high level of hand hygiene and to ensure our infection control practices are up to standard. We have received our new outdoor furniture and are looking forward to utilising our outdoor areas more in the warmer months. Many of you would have noticed that our Violet Room has had a mini-refurbishment, with a fresh coat of paint and a rearrangement of the furniture. This is all to help make the area feel more homely and inviting for all of our residents that utilise the space.

If you have any feedback at all, please do not hesitate to let myself, or any of my team know.

Thanks,

Gen

FROM THE LIFESTYLE TEAM

Hi everyone!

Winter has definitely arrived, and as typically happens around this time of year, we all get a little more sleepy and rugged up. We have had a little decline in participation of group activities and especially outdoor activities lately, which is normal for winter time, but we don't want to get too complacent!

Remember, if we don't keep active (physically, mentally) it can get harder for us to keep motivated; and as the old adage goes- "If you don't use it, you lose it!" So I'd like to work with you all on small group activities, or more 1:1 contact in your rooms if that is more comfortable for you. Our activities program is flexible to suit resident day-to-day needs and requests. We always have indoor alternatives, and the ability to adapt outdoor activities to suit indoor settings if required.

As always, if you have any suggestions for activities or outings, please do not hesitate to let us know. We look forward to seeing you at our next activity. Come and join us!

The Diversional Therapy Team,

Mel. Tammy. & Kylie

GETTING TO KNOW OUR RESIDENTS

Elizabeth

Liz was born and raised in Hobart, but has also lived in Melbourne and Queensland.

She has completed an Arts degree and worked as a Textile designer. Liz has a Brown Belt in Judo, qualified for the 1956 Olympic Games (and almost competed alongside Dawn Fraser), started a telecommunications company with her late husband, assisted in inventing the "fax switch chip", assisted in launching the "Myer's country car group", and had a hand in establishing the Tennis Courts and Tennis Club on Tamborine Mountain!

Liz loves Summer, and going out on outings.

Come and say hello to Liz!

Management and staff offer our deepest sympathy and condolences to the family and friends

Memory Support Unit Specific Activities

We are currently tailoring our MSU program to contain more person specific tasks for meaningful engagement. We encourage residents to continue to pursue their interests and hobbies they had when they were younger. Artists can continue painting and colouring, homemakers may choose to set tables or polish cutlery, office workers can help with shredding or filing, and engineers may choose to engage in miniature railway or model creating.

IMPORTANT INFORMATION

Hairdresser Appointments

Our hairdresser, Kristy visits on the last Wednesday of every month. Residents can book in for a haircut using the hairdresser book located at front reception. Alternatively, see a staff member for assistance to book in with the hairdresser. Price lists can be found on our community board, as well as the Lifestyle office.

Residents are also welcome to use their own hairdresser at any time or go out to a private hair salon with family.

Meals

Families and Friends are welcome to order and enjoy a meal through our main kitchen to have with their loved ones.

Please let the kitchen or administration know you would like a meal organised approx. 2 hours before scheduled mealtimes.

Please let the staff know and sign in **and** out of the Resident Leave Record book located in the Main Foyer.

Relatives Details / EPOAs

Next of Kin or relevant persons please alert staff if you; change your address, phone number, or contact details. We can then update your details.

Maintenance Issues?

Do you have a light that needs replacing? Tap that is leaky? Residents now have access to a Maintenance request book, located near the lounge area. All families, staff, and residents can now log any issues that they would like Maintenance to have a look at. Logbooks will be checked daily by our maintenance officer, Sean.

Clothing Labels

Please ensure that any new clothing items are placed in a named bag and handed in to reception to be labelled BEFORE giving them to residents or placing them in wardrobes. Unfortunately, many items of unlabelled and unidentified clothing are ending up in our lost property box in the laundry. Unlabelled and unidentified clothing will be donated to local OP shops at the end of each month. To avoid disappointment, please ensure all new clothing items are adequately labelled.

COVID-19 Updates

Although QLD health has recently relaxed guidelines for mask wearing and other entry precautions, aged care facility site managers can implement additional entry guidelines to minimise risks to vulnerable residents.

Under the current traffic light system, Rapid Antigen Tests (RATs) for visitors are required every 72 hours, and mask wearing is encouraged, but not mandatory.

Please check for any updates near the visitor sign in registers.

Unfortunately, we must remind everybody that our staff are here to assist, and abuse will not be tolerated.

We invite you to assist us by letting us know what we do well and what we need to adjust so that we can improve our performance. We respect the opinions of our clients and those who visit our residential services. Speak to us today or alternatively leave feedback in the comments, concerns and suggestions box.
