FROM THE SERVICE MANAGER

Dear Residents, Families, and Staff,

As we approach the end of the year and enter into the festivities, it is wonderful to reflect on the past few months and the many special moments we have shared at Beaumont Care Wamuran. November and leading into December have been filled with connection, community, and celebration, and it has been lovely to see everyone coming together during this busy time of year.

A heartfelt thank you to all the residents and staff who took part in our Remembrance Day Service. Your participation, reflection, and respect made the occasion deeply meaningful. It was a great opportunity to honour loved ones and support one another as a community. We also enjoyed the excitement and colour of the Melbourne Cup, with residents, families, and staff joining in the fun. From the dress ups and laughter to the races and activities, it was a day filled with energy and joy. Our outings over the last two months have also brought plenty of smiles. Residents have enjoyed getting out and about, exploring the local area, sharing meals, and spending time together in different settings.

We have certainly had our share of warm days already, and the storms have been quite intense at times. With predictions of more storms to come, we encourage everyone to remain safe, take care when outdoors, and speak with staff if assistance is needed. Our team will continue to monitor weather conditions and ensure residents are supported and comfortable during these periods.

With Christmas just around the corner, the festive spirit has well and truly arrived. It has been wonderful to see residents decorating their doors and bringing cheer to the hallways. The Lifestyle Team has been hard at work, and we are looking forward to continuing the celebrations throughout December, including our Christmas Lunch on 22 December, which is a special day filled with good food, company, and Christmas joy.

As we come to the end of what has been a busy year for everyone, we want to extend our warmest wishes to all residents, families, and staff. May you have a safe, happy, and peaceful Christmas season, and may 2026 bring happiness, and wonderful moments for each of you. I would also like to thank all staff for their continued support and dedication and we look forward to another positive and rewarding year together at Beaumont Care Wamuran.

Kind Regards

David

GETTING TO KNOW OUR RESIDENTS

Born at Hillingdon Hospital in England, Maureen grew up in Hayes, Middlesex. She is a proud mum to three children—Nathan, Jason, and Carolyn, along with her grandchildren and great grandchildren.

Maureen shares her home with Frankie, her beloved rescue dog, named in honour of her father. Frankie has been Maureen's loyal companion for eight years.

After finishing school, Maureen worked in airline catering before completing her EN training at 18 working in the Theatre department. She has always enjoyed creative hobbies like pottery and crochet, though limited dexterity has slowed her down. Maureen loves living at Beaumont because Frankie can stay by her side, and she enjoys joining in activities and socializing with others.

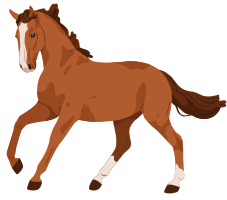

Management & staff offer our deepest sympathy and condolences to the family & friends of

LIFE AT BEAUMONT CARE

Melbourne Cup!

We celebrated Melbourne Cup in style with a delicious specialty lunch of tender lamb chops and vegetables, topped off with a zesty citrus tart for dessert. Residents joined in the fun with sweep tickets for the big race, and prizes were awarded to those whose horses placed first, second, and third. While watching the race, everyone enjoyed bubbles and tasty finger food—a fantastic afternoon full of excitement and laughter!

LIFE AT BEAUMONT CARE

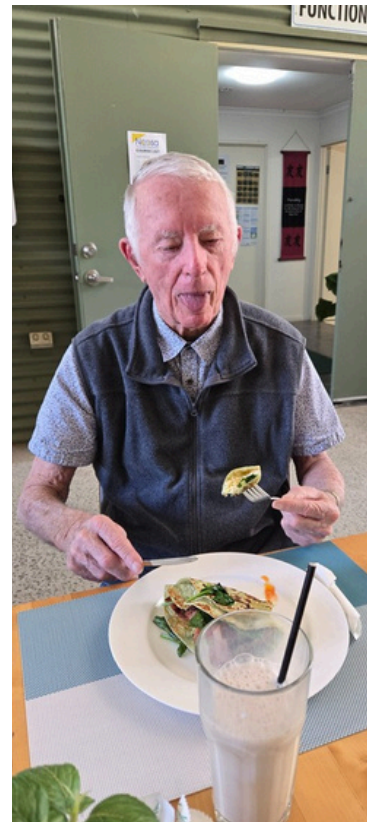

Remembrance Day

Remembrance Day was honoured with a heartfelt service beginning at 10:45am, with the wreaths being laid at the foot of the Australian flagpole in tribute. It was wonderful to see such a large gathering of residents, staff, and family members coming together to pay their respects. A big thank you to all staff for your support in making the morning so meaningful.

LIFE AT BEAUMONT CARE

Residents starting the day with a fun and energising group exercise and movement —always a favourite! On alternate weeks residents enjoy a relaxing foot spa complete with gentle stretching and the soothing reward of a foot spa. Always a large group for attendance.

Our residents had a wonderful lunch outing to Lagoon Creek Café, where they enjoyed delicious homemade meals. The café proudly supports SQW Hospitality Trainees, giving them valuable hands-on experience in the industry.
