# FROM THE SERVICE MANAGER

Hello residents and families,

I would like to thank you all for your patience over the last few months whilst we are completing the upgrades to the front entrance and sensory garden. The water feature has been delivered and will be installed very shortly.

As we are now heading into the cooler months, I would ask all families and visitors to be mindful of visiting Roslyn Lodge if you have any cold and or flu symptoms. I would also like to request the during your next visit it would be appreciated if you could check and make sure your loved one has plenty of warm clothes and pj's. Please don't forget to see Louise in admin to order clothing labels before putting them into their rooms.

You are also all invited to attend our Residents & Representative Meetings which are held monthly at Roslyn Lodge. The next meeting is scheduled 8<sup>th</sup> of April commencing at 9.30am, so if you are available, please join us for morning tea.

Please remember that my door is always open if you have any queries or concerns. Feedback forms are also located in the main foyer area, online through the Beaumont Care website or access through the QR Code.

On behalf of our team here at Beaumont Care Mt Tamborine, I would like to thank you all for your ongoing support!

*Gen*

# FROM THE LIFESTYLE TEAM

Hi everybody,

Our April highlights are Easter, Anzac Day service, and a special staff/family/resident watercolour workshop being held by a local artist! Towards the end of the month, we will also be going on one of our favourite outings - the Cycling Without Age trishaw rides around Paradise Point. This outing will be leaving early at 9am. Spaces are limited, so please book in early to ensure your spot on the bus!

Happy Easter every bunny! We hope the Easter Bunny visits with some sweet treats. We look forward to seeing you at the next activity!

## GETTING TO KNOW OUR RESIDENTS

Alison was born in Mundubbra QLD and has spent the majority of her life living in and around QLD. Alison's family is very special to her. In her spare time she loves gaming (especially Massive Multiplayer Online Role Playing Games such as the Elder Scroll), listening to operatic metal music (Nightwish), and completing diamond dot and cross stitch crafts. Alison loves online shopping, is a bit of a night owl, and likes to celebrate Halloween.

### Alison Leon

# STAFF PROFILE - MANI

**Name:** Maninder “Mani” Kaur

**Role/Position:** Clinical Nurse

**How long have you worked at Beaumont Care?**

8 Months

**What does your role entail?**

My role is to keep residents safe, comfortable, and cared for; to oversee my team in managing medications and assessments; and coordinate the team to ensure timely, person-centred outcomes. Basically- to make sure nothing falls apart... including me!

**What do you enjoy most about your role?**

Seeing our residents comfortable and safe. Knowing my clinical decisions and care genuinely make a difference to their lives

**What do you enjoy most about working at Beaumont Care?**

Team support and sense of purpose.

Working together to deliver quality care and make a real difference to our people living at Beaumont Care

**What is your dream holiday?**

Anywhere really, as long as I am with my family

**What is your favourite food?**

Being of Indian culture, I'm not going to say Indian food, haha. I love Lebanese food.

**What is your favourite colour?**

Currently... my favourite colour is whatever my son's favourite colour is - and currently, that's red!

**What are your special interests?**

I love working/talking with people. In terms of my profession, my special interests are mental health, palliative care, wound care, and another one that everyone laughs loud at is forensic nursing & psychology.

**Is there anything else interesting about you that you would like to share?**

So... Interesting thing about me is I have never worked full time since I graduated... so Roslyn Lodge has some sort of magic; residents here, staff and our SM Gen... they all are amazing and all of this attracted me to be a part of the family... and here I am working Mon-Fri with all my passion!

BEAUMONT CARE

*Warm-Hearted Care, Your Way*

Families and Friends are welcome to order and enjoy a meal through our main kitchen to have with their loved ones.

Please let the kitchen or administration know you would like a meal organised approx. 2 hours before scheduled mealtimes.

Next of Kin or relevant persons please alert staff if you; change your address, phone number, or contact details. We can then update your details.

## **HAIRDRESSER APPOINTMENTS**

Our hairdresser, Kristy visits on the last Wednesday of every month. Residents can book in for a haircut using the hairdresser book located at front reception.

Alternatively, see a staff member for assistance to book in with the hairdresser. Price lists can be found on our community board, as well as the Lifestyle office.

Residents are also welcome to use their own hairdresser at any time or go out to a private hair salon with family.

## **GOING OUT?**

Please let the staff know and sign in and out of the Resident Leave Record book located in the Main Foyer.

## **MAINTENANCE ISSUES?**

Do you have a light that needs replacing? Tap that is leaky? Residents now have access to a Maintenance request book, located near the lounge area. All families, staff, and residents can now log any issues that they would like Maintenance to have a look at. Logbooks will be checked daily by our maintenance officer, Sean.

## **CLOTHING LABELS**

Please ensure that any new clothing items are placed in a named bag and handed in to reception to be labelled BEFORE giving them to residents or placing them in wardrobes.

Unfortunately, many items of unlabelled and unidentified clothing are ending up in our lost property box in the laundry.

Unlabelled and unidentified clothing will be donated to local OP shops at the end of each month.

To avoid disappointment, please ensure all new clothing items are adequately labelled.

# HAVE YOUR SAY

We invite you to assist us by letting us know what we do well and what we need to adjust so that we can improve our performance.
