

CARE AT HOME

We understand that inviting someone into your home is a big step. That's why we focus on building trust, consistency and care that fits naturally into your daily life.

What Care at Home Means for You

Care at home supports your independence while providing flexible, personalised assistance, so you can continue living life your way with the right help when you need it.

Getting Started

You'll meet your Care Manager, who is your main contact and will support you by:

- checking in with you regularly
- organising your Services to begin
- making changes to Services when needed
- helping you get the most out of your package
- educating you on what is available in Aged Care supports

Your Support at Home

Our care is built around your day and your routine

This might include assistance with:

- personal care - help with daily routines such as showering and dressing
- regular cleaning
- meals – preparation or delivery
- getting out and about for appointments or shopping
- simply having someone there for support

We do our best to keep your care team consistent, so you see familiar faces.
Our team respects your home, your choices and how you like things done.

As your situation changes your supports can change too!

We stay in touch and adjust your care when you need it
