

PLAN YOUR SUPPORT

**We take the time to understand your needs, preferences and goals
so we can create a care plan that truly fits your life.**

What Happens at This Step?

- Friendly consultation either over the phone or in-person
- Talk through your current situation and needs
- We will assist you to identify the services that will help you most
- Discuss funding and Budgets
- Create a personalised Care Plan together.

What you Can Expect

- 1. Your Care Manager** supporting you through each step. Helping you understand your options and plan with confidence.
- 2. Respect for your choices** meaning that you remain in control of your care, with choices that reflect your needs, preferences and lifestyle.
- 3. Flexible support arrangements:** we work with you to organise support that fits your routine and can adjust as your needs change.
- 4. Consistent, ongoing care:** Beaumont Care aim to provide continuity in your support while regularly reviewing your plan to ensure it continues to suit you.
