FROM THE SERVICE MANAGER

Hello families,

As we continue to provide exceptional care to our residents, I would like to thank every team member for your ongoing dedication, compassion, and professionalism. Your commitment makes a positive difference every day. Together, we are creating a caring, respectful, and supportive environment. Thank you for everything you do. This month, our focus remains on delivering safe, person-centred care through effective communication, accurate documentation, and maintaining high infection prevention standards.

We will be having a visit from the Department of Health, Disability, and Ageing to conduct the annual Resident Experience Surveys on Tuesday 7th July. These surveys are an opportunity for residents and representatives to share their views about the care they, or their loved ones, receive at the facility. We encourage all residents and representatives to share their feedback and experiences.

If you have any questions or concerns, please do not hesitate to contact me.

Warmest regards,
Gen

FROM THE LIFESTYLE TEAM

Hi everybody,

I would like to extend a big thank you to Bronwyn Mackrory (Dean of Year 11 at Redlands College) for bringing her group of **30** amazing students to visit us last week. Our residents gained such wonderful experiences and had such meaningful interactions with the girls who visited. It was a beautiful morning, and we hope to continue the partnership with Redlands College well into the future.

I would like to officially welcome Nadia back to Roslyn Lodge. Nadia has previously worked as a kitchen hand, but will be returning to an Activity Officer role after taking maternity leave to look after her beautiful baby girl. With Nadia on board, we'll be adding a few more fun activities to our schedule.

This month we'll be trialling a Drumming Class, which will be an exciting and fun way to help residents work on their hand-eye-coordination and rhythm! We're always open to any and all suggestions for activities to add to the program, and feedback is always welcome!

We look forward to seeing you at the next activity!

Mel & Nadia

LORNA WILLIAMS

Lorna was born and raised in Zimbabwe, before migrating to Australia in 2015.

Lorna has experience in data entry, owning cafes, a take away shop, and a tea garden.

She has excellent cake decorating and piping skills, and in her free time, Lorna used to love completing cross-stitch projects while watching the Bold and the Beautiful.

REDLANDS COLLEGE VISIT

30 students from Redlands College visited our residents last month. Some performed songs, some beaded friendship bracelets, some engaged in social chats. Many friendships were created and a few happy tears were shed during the intergenerational visit. We hope to continue our community relationship with the Bronwyn (Year 11 Dean), and the College, for many years to come.
