FROM THE SERVICE MANAGER

GENEVIEVE

Dear families,

As we move into October, I would like to take this opportunity to share some exciting updates from Beaumont Care Mt Tamborine.

We are pleased to announce the arrival of our *new twin-cab work Ute*, which will support our team in maintaining and enhancing our facility and grounds. Importantly, it will also assist our residents in accessing the wider community for social outings, appointments, and other meaningful activities. This valuable addition will strengthen our ability to provide a safe, welcoming, and well-maintained environment while supporting residents to remain connected with their community. We are excited about the positive impact this vehicle will have on the services and experiences we provide to all who call Roslyn Lodge their home.

I would also like to extend our warmest congratulations to **Mani Kaur** and her family on the arrival of their beautiful baby **girl**. We are delighted to hear that both mum and bub are doing well and wish them every happiness as they enjoy this special time together.

In the coming weeks, we will be installing new outdoor lighting in our courtyard area. This enhancement will improve safety, visibility, and accessibility, while also creating a more enjoyable outdoor space for residents, families, and visitors to relax and spend time together.

You are also warmly invited to attend our monthly Residents' and Representatives' Meeting held at Roslyn Lodge. These meetings provide an opportunity to share information, discuss ideas, and receive valuable feedback. The next meeting is scheduled for **14 October at 9:30am.**

We would love to see you there if you are available to attend. Our Consumer Advisory Meeting will also be held on the **same day at 10:30am.** CAB members are welcome to attend.

As always, please remember that my door is always open should you have any questions, suggestions, or concerns.

Feedback forms are available in the main foyer, online via the Beaumont Care website, or by scanning the QR code displayed throughout the facility.

On behalf of the entire team at Beaumont Care Mt Tamborine, I would like to sincerely thank you for your ongoing support, trust, and partnership. Together, we continue to create a warm, caring, and person-centered community for our residents.

Warmest Regards,
Gen

FROM THE LIFESTYLE TEAM

It's been wonderful seeing everyone taking advantage of the warmer weather and spending more time out in the gardens. We have been installing more solar lights and bollard lights to make our garden space more attractive and inviting. As many of you have already noticed, we have been slowly adding more colour and flowers into our garden areas too. Special thank you to our resident Bobby, and her family, for assisting us with adding pops of vibrant colour to any bare patches and brightening up our outdoor space.

Our Scarecrow Festival project is also underway, with many residents already contributing to creating our competition entry.

We have also been starting to prepare for Melbourne Cup next month too! Keep your eyes out on the notice boards and communication boards (near front reception area) for updates and more information in the coming weeks.

We look forward to seeing you at the next activity!

Mel & Nadia
