

Beaumont Care - Redcliffe

Redcliffe Aged Care Service is located in the quiet suburb of Clontarf, surrounded by family homes and close to shops and public transport. The facility captures the sea breezes and its closeness to the beach offers an enjoyable outing for residents.

The facility offers 63 places via an assortment of single and double bed rooms to persons who are classified as 'high care'. Residents are not required to pay a Bond to enter this service and couples are welcomed at Redcliffe.

Fresh cooked delicious meals are provided daily, enticing residents' appetites. Every day has happy hour at our Redcliffe facility.

Laundry services are also provided on site, ensuring that residents' personal items are appropriately cared for during the laundering process.

The facility has a well-tended internal courtyard, providing attractive seating areas for residents and their relatives and friends to gather.

Staff at the Service are committed to the provision of personalized services which are a particular focus of the Director of Nursing who has worked in the Organisation for over three years. Registered Nurses offer 24 hour care and support for residents, complemented by Enrolled Nurses, Assistants in Nursing, Hospitality, Activity, Gardening and Maintenance staff.

A staff Chaplain, Physiotherapist and Massage Therapist ensures consistent, quality care for residents from personnel who are known and familiar to them. General Practitioners, Specialists and supporting Therapists (Dietician, Podiatrist, and Speech Pathologist) ensure that residents receive an optimum level of care which meets all of their needs.

An extensive staff education program is provided to ensure that staff knowledge and skills reflect the needs of the residents for best practice care and services.

Recognizing that many elderly folk have pets, Beaumont Care welcomes residents' pets into Redcliffe Aged Care Service.

A varied Activity Program ensures that residents are engaged in meaningful activities which reflect their interests, skills and experiences.
